How to get there:

By plane and by train

Genève-Cointrin is the nearest airport (40-60 minutes). The train from Zürich Unique Airport takes approximately 2h 30 to go to Lausanne. From these airports, you can take a train to Lausanne, then the Lausanne metro (Gare CFF > Gare du Flon > line M1 direction Renens).

By public transportation (metro, M1)

Line M1 of the TL (Transports lausannois) takes you from the centre of Lausanne (Flon) or from Renens station to the EPFL. The 57 (Morges) and 33 (Ecublens, Renens, Prilly) bus routes serve the area west of Lausanne.
